

# Kyong Eun Oh

Associate Professor  
Co-Director, Library and Information Science Ph.D. Program  
School of Library and Information Science  
Simmons University  
kyongeun.oh@simmons.edu

Simmons  
UNIVERSITY

## Educational Background

- Ph.D. in Communication and Information, Rutgers University, New Brunswick, NJ
- M.A. in Library and Information Science, Yonsei University, Seoul, Korea
- B.A. in Library and Information Science & English Language and Literature, Yonsei University, Seoul, Korea

## Research Areas

- Personal Information Management
- Human Information Behavior
- Information Organization

## Research Interests

- How people manage and organize their digital files
- How researchers manage shared files in cloud storage for their collaborative projects
- How people use and interact with information in everyday life

## Current Research Projects

- Collaborative Research Information Management in Cloud-Based Repositories (Funded by Alfred P. Sloan Foundation)
- Mobile News Information Behavior (Funded by Mara Dole Innovative Research Grant & Emily Hollowell Research Fund)

## Publications and Presentations on Personal Information Management

- Oh, K. (forthcoming, 2022). Cross-analysis of researchers' different shared file management activities in cloud storage. *Proceedings of the 85<sup>th</sup> Association for Information Science and Technology (ASIS&T) Annual Meeting, USA, 59(1)*, 1-3.
